***197 East-Second Street, Downtown Chico***

Chico Event Center opened in 2006. Since then, we have had the opportunity to host an array of special events from business seminars, to weddings and receptions. We are located on the top floor of a newly renovated, historical brick building, just one block from Main Street.

The view from the Chico Event Center meets the tree line of downtown. Crisp, white columns stand between beautiful hardwood floors and detailed ceiling soffits. The raised dance floor, fully-stocked bar, and custom amenities are all part of the casual elegance and unforgettable experience created at Chico Event Center.

***Thank you for your interest. We look forward to serving you and your guests.***
